Looks good to me. I attempted to add the consultation language we discussed, plus a reference to treaty rights, but feel free to suggest changes if you think appropriate.

I like the sentence; changed a couple of small things (deleted a "been" and added a "to") but that's it. And I had a couple of other minor things in the letter.

I told Valois I didn't really have any comments and would coordinate with you guys, but then I guess I changed my mind. I had a couple of comments. Please see attached. Feel free to add any comments, and let me know what you think about my proposed sentence. Thanks, Lucita

Attached is a draft of the new consultation letter. This example is addressed to the Rosebud Sioux Tribe. I have also attached the Nov 2015 letter for your reference.
Thanks!
